

**ANGLING CODE OF CONDUCT**  
**2014**

**Strictly no fishing from  
the cliff-top from 1<sup>st</sup>  
March to 30<sup>th</sup>  
September**

This code of conduct applies to 3.4 miles of cliff top between Speeton Cliffs (TA160750) and North Dyke (TA213733), and includes the RSPB Bempton Cliffs Reserve which forms part of the Flamborough and Filey Coast proposed Special Protection Area (pSPA).

The pSPA is subject to legal protection because of the internationally important populations of breeding Gannet, Kittiwake, Guillemot and Razorbill.

All seabirds are protected under The Wildlife and Countryside Act 1981 (as amended by the Countryside and Rights of Way Act 2000).

# **Fishing from the cliff-top is permitted from 1<sup>st</sup> October to 28<sup>th</sup> / 29<sup>th</sup> February**

- No fishing from RSPB viewpoints when the RSPB Visitor Centre is open.
- If you cross the fence line, you do so entirely at your own risk. The cliffs are dangerous and there is a serious risk of slipping and falling which could result in serious injury or death.
- The use of ropes to access the beach is not authorised or approved by the landowner. No new ropes must be fixed or used under any circumstances to access the beach. The landowner accepts no liability whatsoever for any existing ropes affixed for this, or any other purpose, or for any accident or injury which may arise from the use of any ropes affixed to our land. Such ropes are used entirely at your own risk.
- Be considerate to other visitors and do not cross the fence at New Roll Up if families are present on the viewpoint. Children must be accompanied at all times
- All fishing tackle and litter to be removed from site.
- Strictly no vehicles on the cliff top without landowner's consent.
- Ensure your safety and that of others at all times.
- Tackle to comprise minimum 30lb BS mainline: terminal tackle to incorporate a rotten bottom and a minimum 50lb BS leader to be used with any means of casting.
